

## **STUDENT BENEFITS AND DISCOUNTS**

You will get many benefits through the membership of student union. Pivo's mobile student card includes many different kind of national benefits that you can use where ever you are travelling.

### **PIVO mobile student card**

All the student benefits can be found from Pivo, so it is very recommended to start using the mobile student card! Notice that you can find the season and one time benefits only from Pivo app. There are almost 4000 national student benefits that you can use!

### **Travelling benefits**

VR and Matkahuolto offers great student discounts. VR gives you 30% discount on the long distance basic and saving train tickets and also from the multi-tickets. On the VR's commuter trains you will get 50% discount on one time ticket and 10-multi-ticket package. Matkahuolto's student discounts vary depending on the operator so remember to check the latest student prices on their website.
